Package Descriptions - An IDX Solution to Meet Your Needs

Firm/Office IDX Link

This package includes real-time access to both your firm's listings as well as all participating IDX listings currently available within your InnoVia MLS System. The 'Firm Listings' link generates a standard one line display with appropriate links to the expanded display information. The 'All Listings' link provides a standard search screen within your website to allow site visitors to narrow down their search before contacting you saving you valuable time.

By signing below you are authorizing Offutt Systems, Inc. to debit the above listed credit card annually for the payment of the services or fees indicated above. Offutt Systems, Inc will continue to debit the charges and/or fees at the regularly scheduled billing cycle. All package selections require twelve (12) months minimum commitment. Early termination of any of the selected packages will result in all remaining charges being debited from the above listed credit card. Annual payments are non-refundable. This contract will automatically renew on the annual anniversary date of the first billing date unless Offutt Systems, Inc is notified, in writing, no less than thirty (30) days prior to contract renewal. It is the sole responsibility of the signed customer to assure compliance with all local, state, federal, franchise rules, regulations and/or laws with regard to their individual website. Any misuse, either intentional or otherwise, of legally protected domain names, URL's, images, logos, site content, and 3rd party products by the signed customer is done so at his/her own risk. The signed customer agrees to waive all liability of Offutt Systems, Inc, and any of their affiliated partners, from any and all liability resulting from such violations. These terms and conditions are subject to change without prior notice.
