Master Lock Bluetooth Lockbox Agent Quick Guide

Using Master Lock with ShowingTime.

Sharing Code

K1S20FQWBJ

Use this Sharing Code when adding a Master Lock Bluetooth lockbox to your listing in ShowingTime.

For Listing Agents

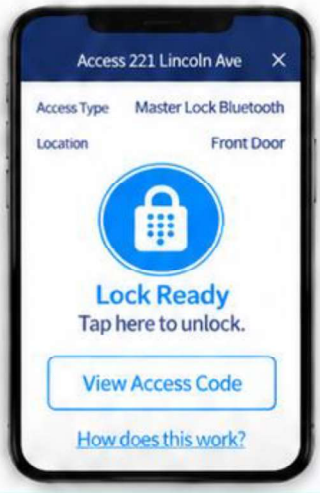
ADD THE LOCKBOX TO YOUR LISTING

1. In Access Information, choose **"Master Lock Bluetooth"** from the dropdown menu.
2. Enter the **Device ID** (printed on the bottom of the lockbox).
3. Enter the **Location** (e.g., Front Door, Back Door, etc.).
4. Enter the **Sharing Code:** **K1S20FQWBJ**
5. Save the listing.

For Showing Agents

Access the lockbox with your ShowingTime App.

1. Open the ShowingTime app during the confirmed appointment's access window.
2. Select the approved showing.
3. Open **"Lockbox & Access Details"** and tap **"View Access Details."**
4. Tap the onscreen unlock icon to open the lockbox.



Bluetooth must be on for the lockbox to connect.

Important: Never leave the shackle off or the lockbox door open.
This can cause the lockbox to get out of sync.
