LISTING PROCEDURES

Section 1. LISTINGS OF REAL PROPERTY. Listings of real property of the following types, which are listed subject to a real estate broker's license, and are located in the Mandatory Listing Area, and are taken by Participants on an exclusive right to sell or exclusive agency listing form must be delivered to the Northwestern Wisconsin Multiple Listing Service hereafter to be referred to as NWWMLS within three (3) business days of the start date of the term of the contract, after all necessary signatures of seller(s) have been obtained.

- a) Single family homes for sale or exchange
- b) Vacant lots and acreage for sale or exchange
- c) Two-family, three-family, and four-family residential buildings for sale or exchange
- d) Farms

Note 1. Failure by a Participant to provide NWWMLS with a listing agreement that is fully executed by all necessary parties upon request shall result in the following fine structure; 1st offense \$750.00, 2nd offense \$1500.00, 3rd offense \$5,000.00.

Except as follows:

- a) Property belonging to a member or their licensees
- b) Leases or rentals
- c) Properties used for commercial purposes
- d) Any listing outside the State of Wisconsin and not contiguous to the State of Wisconsin

Note 1. Any Excepted listings (a-e above) entered into the MLS must abide by these MLS Rules and Regulations.

Note 2: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

1. May reserve the right to refuse to accept a listing form that fails to adequately protect the interests of the public and the Participants.
2. Assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller).

The Multiple Listing Service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both.

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service.

The different types of listing agreements include:

- a) Exclusive right-to-sell
- b) Exclusive agency
- c) Open
- d) Net

The Service may not accept **net listings** because they are deemed unethical and, in most states illegal. **Open listings** are not accepted except where required by law because the inherent nature of an open listing is such

as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

The **exclusive-right-to-sell** is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. **Exclusive agency** listings and **exclusive-right-to-sell** listings with named prospects exempted should be clearly distinguished from **exclusive-right-to-sell** listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by **exclusive-right-to-sell** listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote **exclusive agency** and **exclusive-right-to-sell** listings with prospect reservations.

Note 3: A Multiple Listing Service does not regulate the type of listings its Members may take. This does not mean that a Multiple Listing Service must accept every type of listing. The Multiple Listing Service shall decline to accept **open** listings (except where acceptance is required by law) and **net** listings, and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the Multiple Listing Service.

Note 4. A Multiple Listing Service may, as a matter of local option, accept exclusively listed property that is subject to auction. Such listings show a listed price and are included in the MLS compilation of current listings.

Section 1.0 CLEAR COOPERATION:

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. If the property is not added to NWWMLS within (1) business day of publicly marketing the property, the fine structure is as follows: 1st offense \$750.00, 2nd Offense \$1,500.00, 3rd Offense \$5,000.00.

Note 1. Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of these rules, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.

Section 1.1. LISTINGS SUBJECT TO RULES AND REGULATIONS OF THE SERVICE:

Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the Rules and Regulations of the Service upon signature of the seller (s). In the event that the listing of a Participant has as its listing agent, or salesperson, a licensee who is subject to a fee waiver under Section 6.3, then that listing shall be ineligible for submission to the service.

Section 1.2 DETAIL ON LISTINGS FILED WITH THE SERVICES: A Listing Agreement or Property Data Form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail, varying from property class to property class and *ascertained as specified on the property data form* shall contain:

Section 1.2.1 LIMITED SERVICE LISTINGS: Listing agreements under which the listing broker will not provide one, or more, of the following services:

a) arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s);

b) accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead give cooperating brokers authority to present offers to purchase directly to the seller(s);

c) advise the seller(s) as to the merits of offers to purchase;

d) assist the seller(s) in developing, communicating, or presenting counter-offers;

e) participate on the seller(s) behalf in negotiations leading to the sale of the listed property

will be identified in the "LS" field in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

Section 1.2.2 CO-LISTED PROPERTIES: If a seller enters into multiple listing contracts; contracts must be with different brokers/different firms; for the same property, the Participants may each submit the listing to the MLS, provided the agents' remarks section discloses the other co-listing broker(s). When the property closes, only one listing may be reported as sold; any other submission must be withdrawn. The co-listing participants must determine which submission will be reported as sold and which submission(s) will be withdrawn. In the event that the listing of a Participant has as its listing agent, or salesperson, a licensee who is subject to a fee waiver under Section 6.3, then that listing shall be ineligible for submission to the service even if co-listed.

Section 1.2.2A Duplicate Listings: Two brokers claiming to have a bona fide listing for the same property. NWWMLS discourages Duplicate Listings.

- Broker A has the listing contract with the seller first, Seller decides he wants to go with a different broker and seeks out Broker B. Seller signs a new contract with Broker B. All listings stay active until the seller (in writing) requests one of the listings be terminated or until Broker A signs the cancelation of the listing.

Section 1.2.2B Multiple Listings: all listings must be entered in the most appropriate property class (ie: Residential, Multi-Family, Vacant Land, Commercial and/or Farm), for a maximum number of two listings. Listings CANNOT be exact duplicates within the same property class. At time of sale, one listing status is changed to Sold and sold information is entered into the listing data, the second listing status is changed to Withdrawn
NWWMLS BOD action 1/2017, 2018

Section 1.3 EXEMPTED LISTINGS: If the seller refuses to permit the listing to be disseminated by the Service, the Participant may then take the listing (office exclusive) and such listing shall be filed with the Service but not published or entered into the MLS data bank. Filing of the listing must be accompanied by certification signed by the seller that the seller does not desire the listing to be published by the Service. Such notice shall be given to the MLS office within three (3) business days of the start date of the term of the contract, after all necessary signatures of seller(s) have been obtained.

Note 1. Participants must distribute exempt listings within (1) one business day once the listing is publicly marketed; see Section 1.0, Clear Cooperation. Direct promotion of the listing between the brokers and licensees affiliated with the listing brokerage is not considered public marketing.

Section 1.4 CHANGE OF STATUS OF LISTING: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within three (3) business days after the authorized change is received by the listing broker.

Note 1: Statuses that are not updated within the allotted 3 business day will be subject to the following fine structure; a verbal warning will be issued for the first 24 hour period after the initial 3 business days rule. 1st Offense\$100.00, 2nd Offense\$150.00, and 3rd Offense\$200.00.

Section 1.5 WITHDRAWAL OF LISTING PRIOR TO EXPIRATION: Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal. Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller.

Section 1.6 LISTING PRICE SPECIFIED: The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings, unless the property is subject to auction.

Section 1.7 NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS: The Multiple Listing Service shall not fix, control, recommend, suggest or maintain commission rates or fees for services to be rendered by Participants. Further the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

Section 1.8 EXPIRATION, EXTENSION AND RENEWAL OF LISTINGS: Any listing filed with the Multiple Listing Service automatically expires on the dates specified in the agreement unless renewed by the listing broker and notice of renewal or extension is filed with the Service prior to expiration. Extensions and renewals of listings must be signed by the seller(s). Properties re-listed by the same broker within 30 days of expiring or being withdrawn, must be entered into the system by changing the status of the original MLS number from "expired" or "withdrawn" to "back on the market". It cannot be entered into the system as a new listing even though the seller has signed a new listing contract unless there are new property owners.

Note 1: Failure to comply with this rule will result in this following fine structure, 1st Offense\$500.00, 2nd Offense\$750.00, and 3rd Offense\$1000.00.

Section 1.9 *TERMINATION DATE ON LISTINGS:* Listings filed with the Service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.10 *SERVICE AREA AND MANDATORY LISTING AREA:* Only listings of the designated types of property located in the Mandatory Listing Area of NWWMLS are required to be submitted to the Service. Listings of property located outside the Mandatory Listing Area but within the Service Area will be accepted if submitted voluntarily by a Participant. Listings of property located outside of the Service Area of NWWMLS will be accepted if submitted voluntarily by a Participant but cannot be required by the Service.

Section 1.11 *LISTINGS OF SUSPENDED PARTICIPANTS:* When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 1.12 *LISTINGS OF EXPELLED PARTICIPANTS:* When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e. violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the expelled Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Association (except where MLS Participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fee or charges, a Association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised in writing of the intended removal so that the expelled Participant may advise his clients.

Section 1.13 *LISTINGS OF RESIGNED PARTICIPANTS:* When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised, in writing, of the intended removal so that the resigned Participant may advise his clients.

SELLING PROCEDURES

Section 2. *SHOWINGS AND NEGOTIATIONS:* Appointments for showings and negotiations with the seller for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker, except under the following circumstances:

- a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- b) after reasonable effort, the cooperating broker cannot contact the listing broker or his representative. However, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

Section 2.1 *PRESENTATION OF OFFERS:* The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

Section 2.2 SUBMISSION OF WRITTEN OFFERS AND COUNTER-OFFERS: The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer. Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 2.3 RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER: The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented.

Section 2.4 RIGHT OF LISTING BROKER IN PRESENTATION OF COUNTER-OFFER: The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

Section 2.5 REPORTING SALES/STATUS CHANGES TO THE SERVICE: Status changes, including final closing of sales, and sales price, shall be reported to the Multiple Listing Service by the listing broker within 3 business days after they have occurred. If negotiations were carried on under Section 2(a) or (b) hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 3 business days after occurrence and the listing broker shall report them to the MLS within 3 business days after receiving notice from the cooperating broker. If offices have office exclusives or one-party listings that do not sell through MLS, they can, with seller authorization, report these sales through MLS when the property closes for comp purposes, providing MLS Rules and Regulations are satisfied. If a seller accepts a Standby Offer and uses the MLS "Standby Offer Addendum", the listing may remain Active in the MLS. The listing broker shall include a notice in the agent remark section of the MLS stating the property has a "standby offer". All other offers containing a sale of property contingency shall be placed in the MLS as Active with Bump Clause. Use of the Standby Offer Addendum is optional.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its Participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

- 1) Categorizes sale price information as confidential and
- 2) Limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records.

Section 2.6 REPORTING RESOLUTIONS OF CONTINGENCIES: The listing broker shall report to the Multiple Listing Service within twenty-four (24) hours that a contingency on file with the Multiple Listing Service has been fulfilled or renewed, or the agreement canceled.

Section 2.7 ADVERTISING OF LISTING FILED WITH THE SERVICE: A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker.

Section 2.8 REPORTING CANCELLATION OF PENDING SALE: The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale and the listing shall be reinstated immediately.

REFUSAL TO SELL

Section 3. REFUSAL TO SELL: If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated on the listing, such fact shall be transmitted immediately to the Service and to all Participants.

PROHIBITIONS

Section 4. INFORMATION FOR PARTICIPANTS ONLY: Any listing filed with the Service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker. A participant with licensees who are subject to a fee waiver under Section 6.3 may not make available to those licensees listings of other brokers in the MLS. The preceding sentence does not prohibit a licensee from accessing listing records from another MLS or from any other source lawfully available to the licensee.

Section 4.1 “FOR SALE” SIGNS: Only the “For Sale” sign of the listing broker may be placed on a property.

Section 4.2 “SOLD” SIGNS: Prior to closing, only the “Sold” sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign.

Section 4.3 SOLICITATION OF LISTING FILED WITH THE SERVICE: Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the Realtors® Code of Ethics, its Standards of Practice and its Case Interpretations. The prohibition in the previous sentence applies to licensees affiliated with a participant who are subject to a fee waiver under Section 6.3.

Note 1: This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This Section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications and visits from brokers and salespersons who have been made aware through the MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This Section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

DIVISION OF COMMISSIONS

Section 5: COMPENSATION SPECIFIED ON EACH LISTING: The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of sale (or lease), or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the Multiple Listing Service of a Association of Realtors®, the Participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell*.

The offer of compensation made by the listing broker is further extended to all Participants of Multiple Listing Services which are part of and/or share data through the Wisconsin Real Estate Exchange (WiREX).

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents or in other agency or non-agency capacities defined by law) which may be the same or different.

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Note 1: The Association Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the Association Multiple Listing Service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The Association Multiple Listing Service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

* The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by a Association Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. A percentage of the gross selling price
2. A definite dollar amount

Note 2: The listing broker may, from time to time, adjust the compensation offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised.

Note 3: The Multiple Listing Service shall make no rule on the division of commissions between Participants and non-participants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple Listing Services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval; and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court or to lender approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction.

Note 5: Nothing in these MLS rules precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

Note 6: Multiple Listing Services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers; where the sale price is insufficient to pay the total of all liens and costs of sale; and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple Listing Services may, as a matter of local discretion, require Participants to disclose potential short sales when Participants know a transaction is a potential short sale. In any instance where a Participant discloses a potential short sale, they must also be permitted to communicate to other Participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating Participants. All confidential disclosures and confidential information related to short sales must be communicated through dedicated fields or confidential "remarks" available only to Participants and Subscribers.

Section 5.1 DISCLOSING POTENTIAL SHORT SALES: Participants are encouraged, but not required, to disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) to other Participants and Subscribers. When disclosed, Participants may, at their discretion, advise other participants (through private remarks) whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants. Where Participants communicate to other Participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating Participants, listing Participants shall disclose to cooperating Participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 24 hours of receipt of notification for the lender.

Section 5.2 PARTICIPANT AS PRINCIPAL: If a Participant or any licensee (or licensed or certified appraiser) affiliated with the Participant has any ownership interest in a property, the listing of which is to be disseminated through the Multiple Listing Service, the Participant shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants.

Section 5.3 PARTICIPANT AS PURCHASER: If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 5.4 DUAL OR VARIABLE RATE COMMISSION ARRANGEMENTS: The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by entering "Yes" in the variable commission field. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

Section 5.5 NO COMPENSATION FOR FEE-WAIVED SELLING SALESPERSON. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) shall be excused if it is determined through arbitration that the selling salesperson affiliated with the cooperating broker was subject to fee waiver under Section 6.3 at any time between the offer to purchase and the closing of the sale.

SERVICE FEES AND CHARGES

Service fees, determined by and upon recommendation of the MLS Committee and ratified by the Realtors® Association of Northwestern Wisconsin are subsequent to change from time to time in the manner prescribed:

Section 6. INITIAL PARTICIPATION FEE: An applicant for participation in the Service shall pay an application fee subject to change from time to time and determined by the MLS Board with such fee to accompany the application. Application fees are not refundable.

Note: The Initial Participation Fee shall approximate the cost of bringing the Service to the Participant.

- a) Participation in the MLS is on an individual basis. That is, a sole proprietorship office, with a trade name, a partnership with a partnership name, and corporation, in corporate name, cannot be titled as Participant. MLS Participation shall be not be transferable or sold except where there is a pre-existing business relationship within the company: i.e.: a partner named as Participant may transfer participation to another partner or an officer in a corporation
- b) The new Participant must be, at the time of becoming the Participant, qualified to become a member of the MLS and must sign a new MLS application/agreement.
- c) "Participant" shall be used only to describe a broker principal. The term Participant shall not be used to describe any persons other than the principal broker. Any non-principal brokers or sales associates affiliated with an MLS Participant has access to and use of the MLS information only through the Participant with whom he is affiliated as employee or independent contractor.

Section 6.1 Branch Office Application Fee: A Participant who is opening a branch office shall pay an application fee subject to change from time to time and determined by the MLS Board with such fee to accompany the branch office application. Branch office application fees are not refundable.

Section 6.2 Subscriber Fees: Each member office shall pay dues based on the following:

1. The monthly dues for each Participant in the service are subject to change from time to time and determined by the MLS Board based on the number of real estate salespersons and licensed or certified

appraisers employed by or affiliated with the Participant, when such licensees have access to and use of the MLS, except that this fee shall be waived for licensees subject to a fee waiver under Section 6.3.

2. Bills for a two-month period are to be issued by the MLS office on or before the 15th of January, March, May, July, September and November. Dues are payable in advance; if Participant is unpaid on the eighth of the month following invoicing, all services shall be suspended and the Participant will be assessed \$50 for the first suspension and \$100 for any subsequent suspension imposed before the first one-year anniversary of the lifting of the preceding suspension. Any member firm whose services have been suspended for more than 60 days shall be terminated.

Section 6.3 Subscriber Fee Waivers: MLS provides participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser in a participating office who can demonstrate subscription to a different MLS where the principal broker for the office also participates. MLS requires participants to sign a certification for nonuse of MLS services, which includes penalties and termination of the waiver if violated.

Normally, under Section 6.2, any per-subscriber fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of subscribers in a participating office for purposes of any recurring per-subscriber fees paid by a participant under Section 6.2 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 6.3. For purposes of this Section 6.3 and all rule provisions referring to it, "licensee" refers to non-principal salespersons and licensed and certified appraisers. Section 6.3.1 sets out the conditions for fee waiver, Section 6.3.2 the process for obtaining and maintaining waivers, Section 6.3.3 circumstances under which waiver is revoked and consequences of revocation, and Section 6.3.4 the consequences of repeated violations of these policies.

CIE fees, dues and charges: CIE participants must be given the option of a no-cost waiver for any licensee or licensed or certified appraiser who does not use the service and who can demonstrate subscription to a different CIE or MLS where their principal is a participant. CIEs may, at local discretion, require that broker participants sign a certification for nonuse of the CIE's services by their licensees, which can include penalties and termination of the waiver if violated.

Section 6.3.1 Conditions for the Waiver: Fee waivers are available for non-principal broker and non-principal appraiser licensees in offices participating in MLS, provided the participant and any fee-waived licensee(s) meet all the following requirements:

- a. Any fee-waived licensee must, either:
 - i. Be a subscriber in another multiple listing service or a commercial information exchange; or
 - ii. Exclusively practice commercial real estate (waivers under this category are granted at the discretion of NWWMLS and RANWW).
- b. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services of this MLS:
 1. Using this MLS's systems, databases, lockboxes, etc. This does not include accessing listing information of the licensee's own broker or of other brokers through the participant's IDX site or elsewhere. It does include accessing such information on the participant's VOW (which is for consumers' personal use).
 2. Being identified as a listing agent on an active or pending property listing in this MLS.
 3. Working as the selling agent on a property listed in this MLS by a firm other than participant's, unless the listing appears in an MLS to which the selling agent is a subscriber. This does not apply to the fee-waived participant's own listings, because the participant is free to share them within its firm (and anywhere else) without MLS consent or involvement.
 4. Use of any data feed from this MLS (except one that includes listings only of the licensee's broker).
 5. Using this MLS's data on an IDX or VOW website identified as the fee-waived subscriber's site or page.
 6. Using MLS's data in an automated valuation product or tool in any product or service identified as coming from the fee-waived subscriber.

Section 6.3.2 Process for Obtaining and Maintaining Waivers: The participant must at all times provide to MLS up-to-date information on all licensees, whether they are subscribers or fee-waived licensees, in each participating office. The participant must identify which licensees are subject to fee waivers and for each waived licensee the other MLS in which he/she is a subscriber on the waiver certification form. Participant has an obligation to notify MLS of new licensees and whether they will be subscribers or subject to a waiver. In event Participant fails to notify MLS and fails to complete the necessary waiver form, the restrictions of this Section 6.3 nonetheless apply.

In order to obtain a waiver for any licensee in the participant's office, the participant must execute the MLS's form for listing fee-waived licensees and the certification on it. The participant must procure from another MLS, or arrange for the other MLS to provide to this MLS, a certification that each fee-waived subscriber in this MLS is a subscriber in that MLS. (The other MLS may have a one-time or periodic charge for providing these certifications.)

For licensees that exclusively practice commercial real estate, the participant and licensee may submit an application requesting a waiver of fees, dues, and charges to this MLS. Such applications will be considered by the Northwestern Wisconsin Multiple Listing Service Directors, and are subject to the final approval of the Directors of the REALTORS® Association of Northwestern Wisconsin.

In order to maintain a waiver for any licensee, the participant and licensee must continue to satisfy the requirements of Section 6.3.1 and must recertify (and obtain from the other MLS re-certifications) of the matters addressed in this Section with the frequency set by this MLS.

Section 6.3.3 Revocation of Waiver: The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

- a. The participant or fee-waived licensee may revoke the waiver at any time upon notice to this MLS. In that case, the fee-waived licensee immediately becomes a subscriber and any fees due to MLS under its normal fee schedule for the current period for the subscriber (including pro-rata fees for any partial service period and any application fees if none have previously been paid for the subscriber) shall immediately become due and payable. In the event a fee-waived licensee appears as a listing agent on an active or pending listing in this MLS, the participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (a).
- b. If this MLS determines that the fee-waived licensee has used any of the services of this MLS listed in Section 6.3.1(b) during a fee-waiver period, MLS may terminate the fee waiver upon notice to the participant and fee-waived licensee. If a subscriber facilitates a fee-waived licensee's access to MLS services, MLS may terminate the fee waiver upon notice to the participant and fee-waived licensee and assess a violation of the MLS Rules. In these cases, the consequences of subsection (a) apply, and in addition to them, MLS may recover from participant or fee-waived licensee all the fees MLS would have collected had the fee-waived licensee been a subscriber during the entire period of the waiver. After six months, the participant and subscriber can re-certify the subscriber to be a fee-waived licensee.

Section 6.3.4 Consequences of Repeated Violations: A pattern of repeated violations of Section 6.3.1(b) exists when a participant allows any combination of three or more violations of Section 6.3.1(b), whether the participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a subscriber commits three or more violations of Section 6.3.1(b). In the event that a participant or subscriber or fee-waived licensee exhibits a pattern of repeated violations of Section 6.3.1(b), MLS may suspend all fee waivers for the participant or subscriber or fee-waived licensee (or all) for a period of up to three years. If, after such a period of suspension, a participant or subscriber or fee-waived licensee again exhibits a pattern of repeated violations, MLS may permanently terminate fee waivers for the participant or subscriber or fee-waived licensee (or all). In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a participant, that office shall be ineligible for waivers during the pendency of its participant's suspension or termination. In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of his or her suspension or termination.

Section 6.4 Fines: Each Participant shall pay a fine for:

Incomplete/Inaccurate/Late Listing Entry: Complete, accurate listing information as described in Section 1.2 (including submission of photos as described in Section 1.2(N)) not uploaded within the required 3-day reporting rule shall receive an automatic fine accompanied by a letter with a chance to appeal to the NWWMLS BODs.

1st Offense \$100.00 2nd Offense \$250.00 and 3rd Offense \$500.00.

Note 1: *Listings entered for comp purposes* must follow the above Incomplete/Inaccurate/Late Listing Entry submission requirements. If the listing is incomplete/inaccurate per the above requirements, fee structure as defined above will apply.

CO-LISTED PROPERTIES: If a seller enters into multiple listing contracts; contracts must be with different brokers/different firms; for the same property, the Participants may each submit the listing to the MLS, provided the agents' remarks section discloses the other co-listing broker(s). When the property closes, only one listing may be reported as sold; any other submission must be withdrawn. The co-listing participants must determine which submission will be reported as sold and which submission(s) will be withdrawn. In the event that the listing of a Participant has as its listing agent, or salesperson, a licensee who is subject to a fee waiver under Section 6.3, then that listing shall be ineligible for submission to the service even if co-listed. Failure to comply with this rule shall result in a warning email to Agent/Broker. If not corrected and/or a repeat offender fine structure is as follows; 1st Offense \$50.00, 2nd Offense \$100.00, and 3rd Offense \$200.00.

Section 1.2.2B Multiple Listings: all listings must be entered in the most appropriate property class (ie: Residential, Multi-Family, Vacant Land, Commercial and/or Farm), for a maximum number of two listings. Listings CANNOT be exact duplicates within the same property class. At time of sale, one listing status is changed to Sold and sold information is entered into the listing data, the second listing status is changed to Withdrawn. Failure to comply with this rule shall result in a warning email to Agent/Broker. If not corrected and/or a repeat offender fine structure is as follows; 1st Offense \$50.00, 2nd Offense \$100.00, and 3rd Offense \$200.00.

PERSONAL PROMOTION

Listings submitted to NWWMLS are intended to promote the sale of property and not intended for personal or company marketing. No individual or company promotion is allowed in the NWWMLS, either through Remarks or on photos, video, or other media content. Policy prohibits displaying agent name, phone number, email address or URL, or company logo in Remarks, on photos or on virtual tours. Failure to comply with this rule shall result in a warning email to Agent/Broker. If not corrected and/or a repeat offender fine structure is as follows; 1st Offense \$50.00, 2nd Offense \$100.00, and 3rd Offense \$200.00.

Note: If photo is re-entered, Participant will be fined \$500.00 and the photo and/or other content will be deleted from the MLS.

CHANGE OF STATUS OF LISTING: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within 3 business days (excepting weekends, holidays, and postal holidays) after the authorized change is received by the listing broker.

Note: Statuses that are not updated within the allotted 3 business days will be subject to the following fine structure; a verbal warning will be issued for the first 24 hour period after the initial 3 business days rule. 1st Offense \$100.00, 2nd Offense \$150.00, and 3rd Offense \$200.00.

EXPIRATION, EXTENSION AND RENEWAL OF LISTINGS: Any listing filed with the Multiple Listing Service automatically expires on the dates specified in the agreement unless renewed by the listing broker and notice of renewal or extension is filed with the Service prior to expiration. Extensions and renewals of listings must be signed by the seller(s). Properties re-listed by the same broker within 30 days of expiring or being withdrawn, must be entered into the system by changing the status of the original MLS number from "expired" or "withdrawn" to "back on the market". It cannot be entered into the system as a new listing even though the seller has signed a new listing contract unless there are new property owners. Note 1: Failure to comply with this rule will result in this following fine structure, 1st Offense \$500.00, 2nd Offense \$750.00, and 3rd Offense \$1000.00.

BUSINESS CARDS

Only paper business cards of a standard size noting time and date of showing on the reverse side may be left at property. Intent of rule is to avoid the appearance of solicitation of listing by cooperating agent showing property. Agents must, however, respect the policy of brokers who have a company policy that no business cards may be left. Brokers with said policy must note it in Agent remarks.

Note 1: Failure to comply with this rule will result in the following fine structure; 1st offense \$50.00, 2nd offense \$100.00 and \$200.00 for all additional offenses.

Solds: 1st Offense \$100.00, 2nd Offense \$150.00, 3rd Offense \$200.00 fine per violation for double submission of sold properties

Branded Virtual Tours: 1st Offense, \$100.00, 2nd Offense \$150.00, and 3rd Offense \$200.00 for entering a “branded” virtual tour, which will be disabled by MLS staff. If the “branded” virtual tour is reactivated, the Participant will be fined \$500 and the listing will be deleted by MLS staff.

LISTING PROCEDURES

Failure by a Participant to provide NWWMLS with a listing agreement that is fully executed by all necessary parties upon request shall result in the following fine structure; 1st offense \$750.00, 2nd offense \$1500.00, 3rd offense \$5,000.00.

Lockbox fines schedule;

See Section 18.2, F, page 21 of NWWMLS Policy Manual for fineable infractions.

Lockbox fines schedule;

See Section 18.2, F, page 21 of NWWMLS Policy Manual for fineable infractions.

Audit Fine Schedule;

See Section MLS Policy and Definitions, page 32 of NWWMLS Policy Manual for fineable infractions.

Violation of Section 6.3 Subscriber Fee Waivers: \$1,000

Fines Payable: Fines are payable upon receipt of the invoice; if Participant is unpaid 30 days after invoicing, all services shall be suspended and the Participant will be assessed \$100 for non-payment and, if applicable, a \$100 re-activation fee. Any member firm whose services have been suspended for more than 60 days shall be terminated

NOTE 1: In the event a Participant, subject to an unpaid fine, moves to a new office as a participant, that office will be responsible for any unpaid fines and fines must be paid before the Participant is eligible for Service. In the event a subscriber, subject to an unpaid fine, moves to a new office as a non-principal licensee, that office will be responsible for the unpaid fine before the subscriber is eligible for Service.

Property Condition Report Best Practice: Although sellers have 10 days to complete a property condition report after offer acceptance and WI Statutes Chapter 709.02 requires the completion of a Property Condition Report Disclosure (described below) it is considered Best Practice to encourage sellers to complete a property condition report at the time of the listing contract and upload it as a listing attachment as a courtesy to cooperating brokers.

In regard to transfers described in a s.709.01, the owner of the property shall furnish, not later than 10 days after acceptance of a contract of sale or option contract, to the prospective buyer of the property a completed copy of the report under s.709.03 or 709.033, whichever is applicable, subject to s.709.035, except that the owner may substitute for any entry information supplied by a licensed engineer, land surveyor, or structural pest control operator, by an individual who is a qualified 3rd party, or by a contractor about matters within the scope of the contractor's occupation, if the information is in writing and is furnished on time and if the entry to which it relates is identified, and except the owner may substitute for any entry information supplied by a public agency. Information that substitutes for an entry on the report under S.709.03 or 709.33 and that is supplied by a person specified in this section may be submitted and certified on a supplemental report prepared by the person, as long as the information otherwise satisfies the

requirements under this section. A prospective buyer who not receive a report within the 10 days may, within 2 business days after the end of that 10-day period, rescind the contract of sale or option contract by delivering a written notice or rescission to the owner or to the owner's agent.

Should sellers refuse to complete a Property Condition Report, agents are advised to complete and upload as a listing attachment the Seller Refusal to Complete Condition Report form.

COMPLIANCE WITH RULES; ORIENTATION

Section 7 COMPLIANCE WITH RULES - AUTHORITY TO IMPOSE DISCIPLINE: By becoming and remaining a Participant or Subscriber in this MLS, each Participant and Subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. Each participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 6.3. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a) Letter of warning
- b) Letter of reprimand
- c) Attendance at MLS orientation or other appropriate courses or seminars with the Participant or Subscriber can reasonably attend taking into consideration cost, location, and duration
- d) Retroactive fees related to any licensee granted a fee waiver under Section 6.3 in the event the MLS determines that the licensee made any use of MLS services prohibited in Section 6.3 during the period of waiver
- e) Appropriate, reasonable fine not to exceed \$15,000.00
- f) Suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- g) Termination of MLS rights, privileges, and services with no right to re-apply for a specified period not to exceed three (3) years.

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probation period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance.

Note 2: MLS may refuse to provide service to Participant or Subscribers that have failed to complete discipline.

Section 7.1 APPLICABILITY OF RULES TO USERS AND/OR SUBSCRIBERS: Non-principal brokers, sales licensees, appraisers and others authorized to have access to information published by the MLS are subject to these Rules and Regulations and may be disciplined for violations thereof. Participant, by agreeing to the terms of the MLS application, agrees to be responsible for self and associates for compliance with the Rules and Regulations. In the event associates fail to comply with the Rules and Regulations of the Service, Participant will be held responsible and shall be subject to discipline as if the violations were done by the Participant. Further, failure of any user or subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. The participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 6.3. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant.

Section 7.2 ORIENTATION: Any applicant for MLS participation and any licensee (including licensed or certified appraisers) affiliated with an MLS participant who has access to and use of MLS-generated information shall be enrolled in an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval and the operation of the MLS within thirty (30) days after access has been provided. The previous sentence applies to licensees subject to fee waiver under Section 6.3 only if their waiver status is revoked.

MEETINGS

Section 8. MEETINGS: The meetings of the MLS Board shall be held in accordance with the provisions of Article 8, Bylaws of the Service stating, in part, the MLS Board shall meet at least every other month and inform/educate members at a general membership meeting.

ENFORCEMENT OF RULES OR DISPUTES

Section 9. CONSIDERATION OF ALLEGED VIOLATIONS: The MLS will consider all written complaints from Participants having to do with violations of the Rules and Regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors).

Section 9.1. VIOLATIONS OF RULES AND REGULATIONS: If the alleged offense is a violation of the Rules and Regulations of the Service and does not involve a charge of alleged unethical conduct or request for arbitration or is not a complaint of unauthorized use of listing content as described in Section 9.3, it may be administratively considered and determined by the MLS through its staff, and if a violation is determined, the staff may impose a sanction, provided the recipient of such sanction may request a hearing before the MLS Board within twenty (20) days following receipt of the notice of violation and/or sanction.

Participants may appeal to the Board of Directors of the MLS within twenty (20) days of receipt of the notice of the violation and/or sanction. Failure of the Participant to submit a written request to the MLS to appeal the sanction results in the sanction becoming final. The MLS Board of Directors will consider all written appeal requests and may, in their discretion, allow the Participant to appear in person. The MLS Board of Directors will make a determination to affirm the violation/sanction, or withdraw it and the MLS Board of Directors determination is final.

Alleged violations involving unethical conduct will be referred to the professional standards committee of the association of REALTORS® for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®.

Section 9.2 COMPLAINTS OF UNETHICAL CONDUCT: All other complaints of unethical conduct shall be referred by the NWWMLS Board to the REALTORS® Association of Northwestern Wisconsin (RANWW) for appropriate action in accordance with the professional standards procedures established in the Association's bylaws.

The obligation to arbitrate includes the duty to either 1) pay an award to the party(ies) named in the award or 2) deposit the funds with the Professional Standards Administrator to be held in escrow or trust account maintained for this purpose. Failure to satisfy the award or deposit the funds with the Association within ten (10) days may be considered a violation of the MLS rules and may subject the Participant to disciplinary action at the sole discretion of the MLS.

Section 9.3 COMPLAINTS OF UNAUTHORIZED USE OF LISTING CONTENT: Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the Board of Directors will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Board of Directors that the use is authorized. Any proof submitted will be considered by the Board of Directors, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Board of Directors determines that the use of the content was unauthorized, the Board of Directors may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the

unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Board of Director's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 9.4 MLS RULES VIOLATIONS: MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules.

CONFIDENTIALITY OF MLS INFORMATION

Section 10. INFORMATION PROVIDED BY MLS: Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the Service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants entitled to access and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants entitled to access.

Section 10.1. MLS NOT RESPONSIBLE FOR ACCURACY OF INFORMATION: The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Section 10.2. ACCESS TO COMPARABLE AND STATISTICAL INFORMATION: Realtors® who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development or building, but who do not participate in the MLS, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including "comparable" information, "sold" information, and statistical reports. This information is provided for the exclusive use of the Association Members and individuals affiliated with Association Members who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations.

OWNERSHIP OF MLS COMPILATION* AND COPYRIGHT

Section 11. At the option of the Participant, the intellectual property rights, including copyrights, in the property listing content may be assigned to the Service pursuant to a separate agreement between Participant and the MLS. In the event there is no assignment, by submitting any property listing content to the MLS, the Participant grants to the MLS a license to use the property listing content in its copyrighted MLS compilation, as permitted under the MLS's rules, regulations, and bylaws, and other such purposes and uses with the consent of the Participant. Permitted uses include, but are not limited to, inclusion in any statistical report on comparables, IDX data feeds, and syndication. By submitting any property listing content to the MLS, Participant represents and warrants that he/she has the authority to grant the license described in this section. For the purposes of this section, "property listing content" includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to the listed property. Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of "online service provider" broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. §512.

Section 11.1. All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the Northwestern Wisconsin Multiple Listing Service, Inc. and in the copyrights therein, shall at all times remain vested in the Northwestern Wisconsin Multiple Listing Service, Inc.

Section 11.2. Each Participant shall be entitled to lease from the Northwestern Wisconsin Multiple Listing Service, Inc. a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers, but not including any licensee subject to fee waiver under Section 6.3) with such Participant with one copy of such compilation. The Participant shall pay for each such copy the rental fee set by the Association.

Participant shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

*The term "MLS compilation" as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

USE OF COPYRIGHTED MLS COMPILATION

Section 12. DISTRIBUTION: Participants shall, at all times, maintain control over and responsibility for each copy of any MLS Compilation leased to them by the Association of Realtors®, and shall not distribute any such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by an Association Multiple Listing Service where access to such information is prohibited by law.

Section 12.1 DISPLAY: Participants and those persons affiliated as licensees with such Participants shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation. "Persons affiliated as licensees" in the previous sentence does not

include licensees subject to fee waiver under Section 6.3.

Section 12.2 REPRODUCTION: Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable* number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the Participant or their affiliated licensees, be interested. "Persons affiliated as licensees" in the previous sentence does not include licensees subject to fee waiver under Section 6.3.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. (The previous sentence does not apply to licensees subject to fee waiver under Section 6.3.) Such information may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, "sold" information, "Comparables" or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations.

* It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable" as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchasers' decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus "reasonable" in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

USE OF MLS INFORMATION

Section 13. LIMITATIONS ON USE OF MLS INFORMATION: Use of information from MLS compilation of current listing information, from the Association's "statistical reports", or from any "sold" or "comparable" report of the Association or MLS for public mass-media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms or public representations based in whole or in part on information supplied by the Association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

"Based on information from the Northwestern Wisconsin Multiple Listing Service for the

period (date) through (date).”

CHANGES IN RULES AND REGULATIONS

Section 14. CHANGES IN RULES AND REGULATIONS: Amendments to the Rules and Regulations of the Service shall be by consideration and approval of the Northwestern Wisconsin Multiple Listing Service Directors, subject to the final approval of the Directors of the REALTORS® Association of Northwestern Wisconsin (shareholder).

DATA ACCESS AND RESO DATA DICTIONARY STANDARDS

Section 15.1: The integrity of data is a foundation to the orderly real estate market. In order to ensure that the goal of maintaining an orderly marketplace is maintained, and to further establish Realtor® information as the trusted data source, NWWMLS has implemented the following Real Estate Standards Organization (RESO) standards:

- RESO Data Dictionary
- RESO Web API

NWWMLS will keep current with the RESO standards by using commercially reasonable efforts to implement new releases of RESO standards within one (1) year from ratification. Compliance will be demonstrated using the RESO compliance Certification Process.

Section 15.2: NWWMLS offers the following data access transport protocols; depending on your intended use of data, one or more the following may be available:

- Real Estate Transaction Standards (RETS)
- Application Program Interface (API)

Together these data access transport protocols are referred to in these rules and regulations as the “Data Interface.” Access to the Data Interface is subject to these rules and regulations, and NWWMLS’s data license agreement(s).

INTERNET DATA EXCHANGE

Section 16. IDX DEFINED: IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant’s control: websites, mobile apps, and audio devices. As used throughout these rules, “display” includes “delivery” of such listings. (Amended 5/17)

Section 16.1 AUTHORIZATION: Option #1: Participants’ consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant’s listings, that participant may not download, frame or display the aggregated MLS data of other participants.* (Amended 05/17)

Option #2: Participants’ consent for display of their listings by other participants pursuant to these rules and regulations must be established in writing. If a participant withholds consent on a blanket basis to permit the display of that participant’s listings, that participant may not download, frame or display the aggregated MLS data of other participants.* (Amended 05/17)

* Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution. (Amended 05/12)

Section 16.2 PARTICIPATION: Participation in IDX is available to all MLS Participants and users (for the purposes of this Section 16, “users” or “User” are subscribers who are affiliated with such Participant as licensees) who consent to display of their listings by other Participants.

Section 16.2.1 Participants and users must notify the MLS of their intention to display IDX information via establishing an IDX site and must make their site directly accessible to the MLS for purposes of monitoring/ensuring compliance with applicable rules and policies. All displays of WIREX IDX must conform to the display requirements and restrictions in these rules and policies and any other WIREX IDX display policies.

Section 16.2.2 Participants and users may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines.

Section 16.2.3 Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing’s property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. (Amended 05/17)

Section 16.2.4 Participants may select the listings they choose to display ~~on their~~ through IDX sites based only on objective criteria including, but not limited to, factors such as geography or location (“uptown,” “downtown,” etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed ~~on~~ any through IDX site must be independently made by each participant. (Amended 05/17)

Section 16.2.5 Participants and users must refresh all MLS downloads and IDX displays automatically fed by those downloads not less than once every 12 hours.

Section 16.2.6 Except as provided in the IDX policy and these rules, an IDX site or a Participant or User operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity.

Section 16.2.7 An IDX display controlled by a Participant or User must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify, and update information as required by the IDX policy and MLS rules.

Section 16.2.8 Any IDX display controlled by a Participant or User that

a) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

b) displays an automated estimate of market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Participants. Except for the foregoing and subject to Section 16.2.9, a Participant’s IDX display may communicate the Participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or substantially similar) provision:

Seller IDX Public Comments Opt-Out

Please check **either Option A or Option B**

Option A: _____ I have advised my broker or agent that I **will NOT allow** consumers to make public comments about my property on broker or agent property search (IDX) web pages

OR

Option B: _____ I have advised my broker or agent that I **WILL allow** consumers to make public comments about my property on broker or agent property search (IDX) web pages

I understand and acknowledge that, if I select **Option B**, consumers **will have** the ability to make comments about my property on broker or agent property search (IDX) web pages

_____ **Date**

_____ **Seller Signature**

Section 16.2.9 Participants shall maintain a means (e.g., email address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, Participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice or professional judgment.

Section 16.2.10 An MLS Participant and user may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display.

Section 16.2.11 Participants and users shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

Section 16.2.12 All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.* (Amended 05/17)

* Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the devices application. (Amended 5/17)

Section 16.3 DISPLAY: Display of listing information pursuant to IDX is subject to the following rules:

Section 16.3.1 Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended for other MLS participants and users (e.g. cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed.

(a) Participants and Users shall exhibit the price and MLS number on their IDX displays and shall not display the compensation, exceptions, variable commissions, owners' names, listing and expiration dates, showing instructions, property security information, days on market, etc.

(b) Days on Market (DOM) field may be used for sorting purposes only (newest to oldest) and cannot be displayed on Participants or Users IDX displays.

(c) All other fields are optional but must be displayed on all listings if they are displayed on any listings.

Section 16.3.2 All brief display listings shall exhibit the NWW MLS approved icon immediately adjacent to property information. An explanation that properties marked with the icon are provided courtesy of the NWW MLS must appear on each page where such listings are displayed.

Section 16.3.4 Non-principal brokers and sales licensees affiliated with IDX Participants may display listing data information available through IDX on their own websites subject to the Participant's consent and control and the requirements of state law and or regulations. The previous sentence does not apply to licensees subject to fee waiver under Section 6.3

Section 16.3.5 Non-principal brokers and sales licenses affiliated with a Participant may display listing data information pursuant to IDX if the following requirements are met:

1. The Participant is contributing their listings for Internet publication by other NWWMLS Participants.
2. The Participant's Internet site is in compliance with NWW MLS rules and policies.
3. The non-principal or sales licensee's Internet site includes the Participant's identity on every page (a Participant may allow a sales agent to "co-brand" the Internet site.)
4. The non-principal broker or sales licensee has signed an agreement with Participant and NWW MLS that includes the agent's commitment to abide by the NWW MLS Rules and policies to the same extent as the Participant.

Section 16.3.6 All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g.; thumbnails, text messages, tweets, etc of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

Section 16.3.7 Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers' personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g.; thumbnails, text messages, tweets, etc of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

Section 16.3.8 No portion of the IDX database shall be used or provided to a third party for any purpose other than those expressly provided for in these rules.

Section 18.3.9 The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than five hundred (500) listings or fifty percent (50%) ~~one hundred (100) listings or five percent (5%)~~ of the listings available for IDX display, whichever is fewer. (Amended 11/17)

Section 16.4 No "self-promotion" is allowed in the MLS. This prohibits displaying the agent's name, phone number, email address, URL, company logo, address or slogan in the remarks, on photos or on virtual tours.

Section 16.5 SERVICE FEES AND CHARGES: Service fees and charges for participation in IDX shall be as established by the MLS Board and approved by the Board of Directors of the Realtors® Association of Northwestern Wisconsin.

USE OF THE TERMS 'MLS' AND 'MULTIPLE LISTING SERVICE' IN FIRM NAME & WEB ADDRESS

Section 17. USE OF MLS IN PARTICIPANT FIRM NAME AND WEB ADDRESS: No MLS Participant, Subscriber or licensee affiliated with any Participant shall, through the name of their firm, their URLs, their email addresses, their website addresses, or in any other way represent, suggest, or imply that individual or firm is an MLS, or that they operate an MLS. Participants, Subscribers, and licensees affiliated with Participants shall not represent, suggest, or imply that consumers or other have direct access to MLS databases, or that consumers or others are able to search MLS databases only available only to participants and subscribers. This does not prohibit Participants and Subscribers from representing that any information

they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. The provisions of this section apply to licensees affiliated with a participant who are subject to a fee waiver under Section 6.3.

LOCKBOXES

Section 18. LOCKBOXES. The NWWMLS provides and manages an electronic lockbox system.

Section 18.1 Minimum Security Requirements

A. The Multiple Listing Service shall adhere to the Minimum Security Requirements as established by the National Association of Realtors®.

B. Before a lockbox is placed on a property, the Participant (designated broker) shall obtain written authorization from the property owner. Nothing shall limit the owner's right to have a lock box on this property.

Section 18.2 Eligibility

A. Brokers/Appraisers/Sales Associates: All brokers, their sales associates and licensed or certified appraisers, who are a member firm of RANWW or any other Realtor® association participating in the NWW MLS, a wholly owned separately incorporated subsidiary of RANWW shall be eligible to hold a key, subject to these rules.

C. Licensed Drone Operators: A Full Affiliate member of RANWW who maintains a current, active license issued by the Federal Aviation Administration (Remote Pilot Certificate) to operate a registered drone shall be eligible to hold a key, subject to these rules and the Electronic Cardholder Lease Agreement. Licensed Drone Operators must submit of copy of their license to RANWW/NWWMLS along with their Electronic Cardholder Lease Agreement.

When any keyholder again becomes affiliated with an eligible Designated Participant or firm, system access will be reinstated from that time forward subject to access fees being current.

F. The RANWW/NWW MLS shall refuse to lease SentiCard, shall terminate existing SentiCard privileges and shall refuse to activate any SentiCard held by an individual convicted of a crime if the crime, in the determination of the RANWW Board of Directors (and after consultation with legal counsel, if needed) relates to damage or loss of property or puts clients, customers or other real estate professionals at risk.

G. Failure to comply with the Electronic Cardholder Lease Agreement terms and conditions will subject the cardholder to the below finestructure:

VIRTUAL OFFICE WEBSITES (VOWs)

Section 19.1.

(A) A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant, except one subject to fee waiver under Section 6.3, may, with his or her Participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant’s oversight, supervision, and accountability.

(B) As used in Section 19 of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees other than those subject to fee waiver under Section 6.3— except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

(C) “Affiliated VOW Partner” refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(D) As used in Section 19 of these Rules, the term “MLS Listing Information” refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 19.2

(A): The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(B) Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (IDX).

(C) Except as otherwise provided in the VOW policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 19.3

(A): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her

VOW, the Participant must take each of the following steps:

- (i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
- (ii) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in Subsection (D) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to Terms of Use.
- (iii) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(B) The Participant must assure that each Registrant’s password expires on a certain date but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

(C) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(D) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise), to a “Terms of Use” provision that provides at least the following:

- (i) That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- (ii) That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;
- (iii) The Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
- (iv) That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant’s consideration of the purchase or sale of an individual property;
- (v) That the Registrant acknowledges the MLS’s ownership of, and the validity of the MLS’s copyright in, the MLS database.

(E) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouseclick.

(F) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants’ listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 19.4 A Participant’s VOW must prominently display an email address, telephone number, or specific identification of another mode of communication (e.g. live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 19.5 A Participant’s VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, “scraping”, and other unauthorized use of MLS Listing Information. A Participant’s VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 19.6

(A): A Participant’s VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller’s listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(B) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or substantially similar) provision:

<u>Seller VOW Opt-Out</u>	
Please check either Option A or Option B	
Option A: _____ I have advised my broker or agent that I do not want my listed property to be displayed on the Internet	
OR	
Option B: _____ I have advised my broker or agent that I do not want the address only of my listed property to be displayed on the Internet.	
I understand and acknowledge that , if I select Option A , consumers searching for properties for sale on the Internet will not find any about my listed property in response to their search.	
_____	_____
Date	Seller Signature

(C) The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 19.7

(A): Subject to Subsection (B), a Participant’s VOW may allow third-parties: (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

(B) Notwithstanding the foregoing, at the request of the seller the Participant shall disable or discontinue either or both of those features described in Subsection (A) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one of both of these features disabled or discontinued on all Participant’s websites. Subject to the foregoing and to Section 19.8, a Participant’s VOW may communicate the Participant’s professional judgment concerning any listing. A Participant’s VOW may notify its customers that a particular feature has been disabled “at the request of the seller”.

Section 19.8 A Participant’s VOW shall maintain a means (e.g. email address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9 A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 19.10 Except as provided in these rules, the National Association of Realtors® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 19.11 A Participant's VOW must display the Participant's privacy policy informing Registrants of all the ways in which information that they provide may be used.

Section 19.12 A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a Realtor®.

Section 19.13 A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 19.14 A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 19.15 A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a) The compensation offered to other MLS Participants
- b) The type of listing agreement, i.e. exclusive right to sell or exclusive agency
- c) The seller's and occupant's name(s), phone number(s), or email address(es)
- d) Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property

Section 19.16 A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. The rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 19.17 A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 19.18 A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm and the listing broker or agent in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

Section 19.19 A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 19.20 A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 19.21 A Participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

Section 19.22 Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 19.23 Where a seller affirmatively directs their listing broker to withhold either the seller's listing or

the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 48 hours.

PROPERTY CONDITION REPORTS

Best Practice: Although sellers have 10 days to complete a property condition report after offer acceptance it is considered Best Practice to encourage sellers to complete a property condition report at the time of the listing contract and upload it as a listing attachment as a courtesy to cooperating brokers. Should sellers refuse to complete a Property Condition Report, agents are advised to complete and upload as a listing attachment the Seller Refusal to Complete Condition Report form.

Completion: WI Stat 709 states “Seller has 10 days to complete a property condition report after an accepted offer date. If buyer doesn’t receive the condition report within that time frame, offer can be rescinded”. MLS will work with agent regarding rule violation if seller refuses to complete a property condition report.
