To everyone who attended the Past President Social and the Installation Banquet.

THANK YOU!

On September 28th we honored our Past Presidents and installed our incoming President, several association members turned out for this event. We listened to the wisdom of those that came before us and received the message for what is yet to come. In the words of President Lawler we need to encourage participation on committees, be present in our conversations both personally and professionally, be courteous and respectful to our fellow Realtor® and Affiliate members and strive to obtain the goals set forth by the Local, State and National Associations! Don’t miss those moments that only happen once as you move forward in the 2017 – 2018 leadership year.

Since 1969, the REALTORS® Political Action Committee (RPAC) has promoted the election of pro-REALTOR® candidates across the United States. The purpose of RPAC is clear: voluntary contributions made by REALTORS® are used to help elect candidates who understand and support their interests. These are not members’ dues; this is money given freely by REALTORS® in recognition of the importance of the political process.

Foundation History

It all began in 2004 with a simple idea “helping our neighbors in need.” REALTORS® across the country help people obtain the ultimate goal of home ownership. Once realized, home maintenance becomes an on-going process and can create heavy financial burdens. It is the realization the area residents may be unable to afford necessary home repairs, that the RANWW Foundation was born.

The Foundation is funded by generous donations from members of the REALTORS® Association of Northwestern Wisconsin.

The REALTORS® Association of Northwestern Wisconsin Foundation, awards grants to neighbors in need. Grants fund projects for homeowners who are experiencing financial strain.

What we can help fix through grants

- Bathroom Repairs
- Roof Repairs
- Garage Door Installation
- Electrical Upgrades
- Window Replacements
- Plumbing

How To Apply For A Grant
