☐ **Multi-Factor Authentication (MFA) Launching October 22**

We're excited to announce that **Multi-Factor Authentication (MFA)** will launch in **Matrix and related products on October 22!**

MFA adds an extra layer of protection for your MLS account by requiring both your password **and** a secondary verification when unusual login activity is detected.

☐ **What You Need to Know**

Good news — if your **email address** in Matrix is up to date, you're already set for MFA.

A **cell phone number** is *recommended* for added flexibility, but it's not required. You'll continue to log in as usual unless the system detects unusual activity.

☐ **When Verification Is Needed**

You'll be able to choose from several convenient verification methods:

- **Email** – receive a one-time code sent to your registered email address. (*Email verification is required.*)
- **Text message** – receive a one-time code sent to your cell phone. (*Optional, but recommended for convenience.*)
- **Passkey/Biometric login** – use your device's built-in security (fingerprint, face scan, or unlock code). The passkey is stored securely on your device and never shared, making it fast and highly secure.

☐ **Want to Learn More?**

Visit our **MFA FAQs** to learn more about how MFA works and what to expect when it launches on **October 22**.

By verifying your account with MFA, we can better safeguard MLS data and ensure secure access for all members.

A Special Request from Brenda

RANWW members, I have a BIG ask! A fellow REALTOR® from our neighboring association to the north—the Lake Superior Area REALTORS®—is a finalist for the NAR Good Neighbor Award. I recently learned about his incredible work and the impact of his Foundation, and I'd love your help in supporting him.

Please take a moment to [cast your vote](#)—the additional funding he could receive would make a meaningful difference for his charity.

Thank you so much for your support!
