Configure Settings

1. From the Matrix top menu, hover over the, "My Matrix" option then click, "Settings".

2. Click the, "My Information" link to review your contact information.

Information

1. The, “Information” section contains personal contact information that you can share, with Customers and Prospects, from elsewhere in the system.

2. Add, update then review your information to ensure that it’s correct.

   Note: information in this section has been pulled from the Roster. Though some fields are locked and may not be modified, textboxes with a checkmark indicate that you may edit the associated field. If, however, any of the information on this page is incorrect, please contact your Board or Association to have it updated at the source.

3. Click the, “Save” button to save any changes.

Header & Footer

1. Click the, “Header & Footer” tab in the, “My Information” section of, Matrix “Settings”.

2. Choose an Agent banner to brand the information shared with your Customers and Prospects.

   Note: branding will appear on the Client Portal, the Agent: Web Page as well as printed Reports and Displays.

   Note: select the, “I choose not to use a header/footer at this time” option to disable the templates and only brand using your default contact information.

Alternatively, you can select the, “Basic Template” option to display specific contact information as well as set a unique color theme (see, “Customize Header” in the, “Portal Set-Up” section of this Guide).

3. Click the, “Preview” button.
Customize Header

1. From the, “Header & Footer” section, review your banner’s Header image.

1a. Click the, “Select a different banner image/theme” link to return to the banner section and choose a new theme.

1b. Click the, “Upload a custom banner image” link to replace the default banner image with a custom image from your computer’s hard drive.

Note: suggested image dimensions are 1600 (width) x 120 pixels (height). Smaller images will scale-to-fit in height.

2. Choose an Agent Photo.

Note: select the, “No Photo” option to hide your Agent Photo.

Note: to include an Agent Photo, select the, “Use Custom Photo” option then click the, “Change photo” link to update your default image.

3. Select the information fields to brand your Agent Header.

Note: branding fields are pulled from the, “Information” tab (see, “Information” in the, “Portal Set-Up” section of this Guide).

4. Choose a color theme.

4a. Customize your header color theme by either typing a specific hexadecimal number directly into the textbox or by clicking the color bar and choosing one from the chart.

4b. Click the, “Transparency Level” dropdown list to choose your branding transparency.

Note: transparency options will determine how much of the banner’s background image is visible through the branding (Agent information) area.

Customize Print Footer

1. From the, “Header & Footer” section, select the, “Yes, I want a Print Footer” option.

Note: select the, “No Print Footer for me” option if you prefer printed material not include a footer.

2. Select the information fields to brand your Agent Footer.

Note: branding fields are pulled from the, “Information” tab (see, “Information” in the, “Portal Set-Up” section of this Guide).

3. Choose a color theme.

3a. Customize your footer color theme by either typing a specific hexadecimal number directly into the textbox or by clicking the color bar and choosing one from the chart.

Save Header & Footer Configuration

1. Click the, “Save” button to update any changes.

Note: click the, “Reset Branding to defaults” to restore your defaults.
