

Important Message Regarding COVID-19

In response to the growing public health concern regarding the COVID-19 virus, the REALTORS® Association of Northwestern Wisconsin is taking precautionary steps to limit all in-person meetings, appointments, classes, and events effective Thursday, March 19 through Friday, April 10, 2020. RANWW will continue to review this policy weekly as new information becomes available.

- ▶ Classes/events. All classes and events are suspended; if you are currently registered for a class or event during this period, you will receive additional information concerning your course. Online CE is available by visiting WRA <https://www.wra.org/FullWidthContent.aspx?id=2147498377&sso=1>
- ▶ Committee meetings. All meetings will be hosted virtually, links will be provided by RANWW staff.
- ▶ New member and Sentrilock Key appointments. Please call ahead for an appointment and if possible we will have all documentation prepared in advance.
- ▶ RANWW Conference Center member use/public rental will be at the discretion of each individual renter.

We certainly hope that the risk posed by COVID-19 will pass in the near future. This decision is intended to ensure we do not inadvertently expose our members, volunteers, and employees, nor contribute to the spread of the virus in our community. We appreciate your understanding and support, and we will continue to provide updates as things evolve. For additional information on COVID-19, please review the Centers for Disease Control and Prevention website and NAR's guidance for REALTORS®.
