REQUEST TO WITHHOLD LISTING FROM NWWMLS

Form must be submitted to the NWWMLS staff within (3) business days of the contract (listing) date

The undersigned, as seller(s) of property located at

(Property Address)

have listed said property for sale with _____

(Name of Listing Office)

at the price of \$_____. In so doing, the undersigned have requested that said property be withheld from the Northwestern Wisconsin Multiple Listing Service (NWWMLS) for personal reasons.

The undersigned are fully aware they are entitled to have their property placed in the NWWMLS and the property can be withheld from the NWWMLS only at their written request. Seller(s) are aware the MLS is designed to help sellers obtain the highest price and best terms in the shortest period of time, and having their property withheld from the NWWMLS limits the exposure of their property.

In order to discourage other REALTORS® from soliciting this listing, to make other brokers aware of the listing and to enhance the knowledge of brokers as to comparable sales and listings, the undersigned sellers consent that the information regarding the listing (indicating it is a non-MLS listing) shall be available to NWWMLS subscribers.

The undersigned Participant (*Broker*) of the NWWMLS hereby acknowledges that the above Sellers have listed their property with the undersigned; and that said Sellers have been advised of the benefits of the NWWMLS and neither the Participant (*Broker*) or his/her agent have acted in any manner so as to induce Seller to withhold property from the NWWMLS.

NOTE: A Request To Withhold could be subject to fines if not reported to the NWWMLS staff consistent with Section 1, Listings of Real Property, page 3 of the NWWMLS policy manual. Policy manual can be found at www.ranww.org.
